

## ***Hand-Poured Massage Oil Candle***

***More than a candle ... A fragrant candle, massage oil and body butter, all in one!***  
*A special blend of oils and butters poured into a real coconut shell to create a rich, warm moisturizing oil to hydrate and nourish your skin.*

**Experience the Sensation.....Enjoy the Ambience**

*Our candles are fun and easy to use!*

1. *Simply light the candle.*
2. *Wait for a pool of oil to form, then blow out the flame! (always extinguish the flame before using oil)*
3. *Pour out a small amount of warm oil into your hand or use the scoop included with each candle to scoop out some of the oil. Apply to your cuticles, elbows, feet or any area which feels dry or flakey.*
4. *In its solid state it is a luxurious body butter just scoop out and apply to your skin.*

*This natural formula is lavishly rich, extremely moisturizing, and highly concentrated, so a little goes a long way so use sparingly!*

*Within moments, the warmly-blended oils will transform skin to a glowing smoothness!*

All our products are hand made by the very women who benefit from your purchase. "Light on a Hill" is a Social Enterprise of B.I.R.D. Ministries operated by women who have survived the cycle of prison, addiction and abuse.

Into every Light on a Hill product goes the belief that

***"All things are possible with God"***
